

# EllenG Cup - Custom Resin Trophy RFQ

Request for quotation | One-off annual golf tournament trophy

|              |                                                  |               |                                |
|--------------|--------------------------------------------------|---------------|--------------------------------|
| QUANTITY     | 1 finished trophy                                | TARGET HEIGHT | 12-14 inches                   |
| CONSTRUCTION | Hollow-cast resin or high-resolution resin print | BASE          | Weighted black resin/composite |
| FINISH       | Professional hand-painted finish                 | PLAQUE        | Gold/black, engraved or raised |

## DESIGN REQUIREMENTS

Recreate the supplied EllenG Cup alligator golfer as closely as practical while prioritizing economical resin production. Green/yellow alligator; navy polo and navy cap; small raised LNG cargo ship emblem on cap; khaki pants; navy/white golf shoes; crossed-arm pose; simplified golf club; metallic-gold/bronze golf ball; curled tail; black base with metallic-gold accents. Front wording must read **EllenG** with only E and G capitalized, with **CUP** beneath in a non-cursive font.

## COST-SAVING / MANUFACTURING DIRECTION

Use simplified scale and clothing texture, minimize separate parts, use a shallow raised ship emblem, and avoid solid metal casting. The figure may be hollow where structurally appropriate. The finished piece should still read as a premium traveling tournament trophy from normal viewing distance.

## PLEASE INCLUDE IN QUOTE

1) 3D sculpt/modeling; 2) prototype/production method; 3) resin printing or casting; 4) hand painting and metallic finishes; 5) base and plaque; 6) assembly; 7) shipping; 8) estimated production time; 9) price for one replacement/additional trophy; 10) whether the paid 3D model/STL and reuse rights are included.

## REFERENCE / MANUFACTURING CONCEPT

Reference artwork is conceptual. Manufacturer may recommend minor engineering changes that reduce cost or improve durability without materially changing the mascot, colors, branding, or overall appearance.
